

Declaration of Compliance

27 September 2018

**Re: Montreal Protocol – EPA Clean Air Act (USA)
Declaration – Substances that Deplete the Ozone Layer**

Dear valued customer,

This is to certify that **WECO Electrical Connectors Inc.** complies with The Montreal Protocol on Substances that Deplete the Ozone Layer and all applicable laws and safety regulations related thereto including, but not limited to, the United States Clean Air Act Regulation (42 U.S.C. §7401 et seq.) and, to the best of our knowledge, WECO Electrical Connectors Inc. does not utilize any of the banned substances in the manufacture of its products.

The information in this declaration is based on WECO Electrical Connectors commercially reasonable efforts to identify information from supplier declarations, engineering evaluation, and assessments; the information is accurate to WECO Electrical Connectors knowledge.

WECO Electrical Connectors Inc. continues to actively evaluate its supply chain and operations, reflecting any changes as required for continued safe and compliant use of affected products or whenever amendments occur to the candidate list.

WECO Electrical Connectors is committed to comply with all applicable government regulations and industry standards for the protection of the environment and continually strive to meet the needs of our customers.

Sincerely,

A handwritten signature in blue ink, appearing to read "Noel Jesuratnam".

Noel Jesuratnam, P.Eng., CSSGB
Director, Global Quality Assurance
