Re: Huawei Technologies Co. Ltd final rule

Dear valued customer,

On 16 May 2019, the US Commerce Department's Bureau of Industry and Security (BIS) issued a final rule ([Final Rule](#)) adding, with immediate effect, Huawei and 68 of its affiliates (collectively Huawei EL Entities) located in 26 countries to the [Entity List](#) (EL).

This is to certify that WECO products or technology provided to our customers do not include any parts or services designed, developed, manufactured, or supplied by persons owned or controlled by Huawei or its affiliates.

The safety and peace of mind of our customers are among our highest priorities.
We hope that this letter of confirmation will be to your utmost satisfaction.

Sincerely,

A handwritten signature in blue ink, appearing to read "Noel Jesuratnam", written over a horizontal dashed line.
